

BEFORE  
THE PUBLIC SERVICE COMMISSION OF  
SOUTH CAROLINA  
DOCKET NO. 1994-354-T - ORDER NO. 2014-631

AUGUST 5, 2014

IN RE:	Request for Exemption to Section 58-23-80	)	ORDER GRANTING
	R. and 103-153.1 Regarding Vehicle ID	)	WAIVER
	Markings (Reedy River Taxi Leasing, LLC)	)	

This matter comes before the Public Service Commission of South Carolina (“Commission”) on the request of Reedy River Taxi Leasing, LLC (“Reedy River” or “Company”) for a partial waiver of Commission Regulation 103-153, which requires three-inch lettering for the information markings appearing on both sides of each of the Company’s vehicles. Instead, the Reedy River wants to use two-inch lettering. According to Reedy River, the three-inch lettering exceeds available door space on the Company’s vehicles.

We grant the partial waiver. Commission Regulation 103-101(2) states that our regulations may be waived in individual cases when strict compliance produces unusual difficulty and is not in the public interest. In this case, compliance with the three-inch letter rule produces unusual difficulty, because the Company’s vehicles do not have enough door space to accommodate three-inch letters. Further, strict compliance is not in the public interest, because strict enforcement of the rule would mean no identification or

only partial identification marking of the vehicles could be accomplished. This is clearly not in the public interest.

Accordingly, the partial waiver is granted, and Reedy River may use the two-inch lettering as requested.

This Order shall remain in full force and effect until further order of the Commission.
